

## **Reviewer's report**

**Title:** Improving Health Services through a Locally Owned and Sustained Leadership Development Program in Rural Upper Egypt

**Version:** 1 **Date:** 16 March 2009

**Reviewer:** William Kiarie

### **Reviewer's report:**

Title: Improving Health Services through a Locally Owned and Sustained Leadership Development Program in Rural Upper Egypt

Reviewer: William Kiarie

Reviewer's Report: Discretionary Revisions

# It would be good to have the total number of individuals (and or % of total staff) that were trained

# Provide information on the length and structure of the training

# The statement on page 8 - ".....75% Of the 10 health teams had achieved..." is confusing.

**Level of interest:** An article of outstanding merit and interest in its field

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**

I have consulted for MSH in the last five years.
