Online journal of

Human Resources for Health

Dear Editor

Hereby, thank you for accepting our request for a waiver. while you were Deciding about the waiver, we made some changes in the writing of manuscript. Therefore we corrected the abstract in you online submission system, And replaced the main file with a corrected version.

As before the manuscript which submitted for publication in Human Resources for Health entitled: "Nurses Understanding and Experiences of Professional Power in Iran: A Qualitative Study".

This study is my postgraduate thesis. As I viva is close, it will be appreciated if you consider this manuscript for a fast evaluation. Thank you for your interest regarding the publication of the article. We look forward to hear from you soon.

we suggest the following scientists as reviewer:
