Title: Effective scale-up: avoiding the same old traps

Authors:

Pape A. Gaye (pgaye@intrahealth.org)
David Nelson (dnelson@intrahealth.org)

Version: 3 **Date:** 11 January 2009

Editor's comment:

I have mistakenly omitted to upload the edited version of this manuscript. Please contact me <hrhjournal@who.int> before contacting the author. Apologies and many thanks. Janet Clevestine
