Title: The role of regulation in influencing income-generating activities amongst public sector doctors in Peru

Authors:

Manuel Jumpa (m.jumpa-alumni@lse.ac.uk)

Stephen Jan (stephen.jan@lshtm.ac.uk)

Anne Mills (anne.mills@lshtm.ac.uk)

Version: 2 Date: 4 September 2006

Author's response to reviews:

The previous submission contained the original version of the manuscript - not the revised version. I've attached the revised version to this submission. Many apologies
