

Reviewer's report

Title: Considerations for Increasing the Competencies and Capacities of the Public Health Workforce: Assessing the Training Needs of Public Health Workers in Texas

Version: 1 **Date:** 29 July 2005

Reviewer: Robert Mooney

Reviewer's report:

General

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore): more 2003-2005 references; other discretionary mechanical revisions discussed directly with author.

What next?: Accept after discretionary revisions

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
